நாட்டு நலப்பணித் திட்டம் National Service Scheme An Educational Experiment in Community Service

1. Introduction

Launched in the Mahatma Gandhi Birth Centenary year 1969, as a student youth service programme. National Service Scheme (NSS) popularly known as NSS was launched in Gandhiji's Birth Centenary year, 1969 in 37 Universities involving 40,000 volunteers. Over the years, NSS has expanded many folds and covers more than 40 lakhs students. NSS is a permanent student youth programme of the Govt. of India with 100% financial aid from Central Government.

Aim: "Orient the student youth to community service while studying in educational institution".

2. Objectives:

The overall objective of NSS is **Personality Development of the Students through Community Service.**

The **broad objectives of NSS** are to arouse the student's Social Conscience and to provide him with the opportunity to:

1. Understand the community in which they work
2. Understand themselves in relation to their community
3. Identify the needs and problems of the community and involve them in problem solving process.
4. To develop a sense of social responsibility,
5. Utilize their knowledge in finding practical solution to individual and community problems,
6. Develop competence required for group living and sharing the responsibilities,
7. Gain skills in mobilizing community participation,
8. Acquire leadership qualities and democratic attitude.
9. Develop capacity to meet emergencies and disasters,
10. Practice National Integration and Social Harmony.

3.Motto: "Not me, but you"

This reflects the value of democratic living and upholds the need for selfless service and appreciating other person's point of view and show consideration for fellow human beings. It mainly focuses on the welfare of an individual is ultimately dependent on the welfare of society on the whole. It also indicates the selfless service & concern for others. **Not me but you**, Swami **Vivekananda** said this; the real meaning for this is **your need is greater than mine**. It also indicates the selfless service & concern for others.
